MEMPHIS ACADEMY OF CIVIC ENGAGEMENT

The Memphis Academy of Civic Engagement is a seven-week course aimed to foster deeper connections between residents and their municipal government.

Our Mission

Educate and Inform: We provide accessible and comprehensive education on civic processes, governmental structures, and social issues to enhance civic literacy among individuals of all backgrounds. By promoting understanding and awareness, we empower people to make informed decisions and take meaningful action.

Our Vision

Through our program, we strive to foster an engaged and empowered community. That are actively involved in shaping their communities, influencing policies, and driving positive change.

Our Goals

Encourage Active Participation: We inspire and encourage individuals to actively engage in their communities by volunteering, joining local organizations, participating in grassroots initiatives, and public service. We foster a culture of active citizenship, where everyone is encouraged to contribute their unique skills, talents, and experiences to address community challenges.

CALL TO ACTION: Please inform the the team if content needs to be updated.
